Subject: Power Point Presentation from San Jacinto River Meeting 1/30/14

Hi Gary,

My name is Gretchen Knowles, Community Liaison for Harris County Precinct 2 Commissioner Jack Morman. I attended the San Jacinto River Waste Pits meeting yesterday evening as a representative from Commissioner Morman's office. Would it be possible to obtain a copy of the power point presentation from last night? I spoke to Mr. Walters and asked him this, and he suggested that I email you with my request. The purpose is just for information for Commissioner.

Please let me know if this request is possible.

Thank you,

Gretchen

which may be a computer program. This attached computer program could
contain a computer virus which could cause harm to EPA's computers,
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced
into the EPA network. EPA is deleting all computer program attachments
sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you
should contact the sender and request that they rename the file name
extension and resend the Email with the renamed attachment. After
receiving the revised Email, containing the renamed attachment, you can
rename the file extension to its correct name.

For further information, please contact the EPA Call Center at
(866) 411-4EPA (4372). The TDD number is (866) 489-4900.
